## Seattle prepares welcome parade

"We're quite excited to welcome them to the Emerald City", says Governor Gregoire.

SEATTLE, WA - The city is rolling out the welcome mat for a new couple this August. "We couldn't be more excited," said the governor.

A parade has been planned to celebrate the couple's favorite locations: a fleet of VW Bugs will escort the couple past Beecher's Cheese, That One Pirate Store That Bryan Likes Too Much, and finally wind up in Ballard for celebratory sandwiches at Paseo.
